The challenge for any team or group leader is to create a working environment in which Groupthink is unlikely to happen. It is important also to understand the risks of Groupthink - if the stakes are high, you need to make a real effort to ensure that you're making good decisions.

Groupthink - Decision Making Skills Training from ...

Hope is an attitude that you work to achieve every day. It is not a permanent state of mind. One definition of hope used by some psychologists is "a positive motivational state that is based on an interactively derived sense of successful (a) agency (goal-directed energy) and (b) pathways (planning to meet goals)."

edition of Frankenstein, this quote describes the vision that inspired the novel and the prototypes for Victor and the monster. Shelley's image evokes some of the key themes, such as the utter unnaturalness of the monster ("an uneasy, half-vital motion"), the relationship between creator and created ("kneeling beside the ...

Frankenstein: Important Quotes Explained | SparkNotes

When making a config change I'd assume they don't make it to all servers at once and instead roll it out gradually. If this caused the server to instantly start 503'ing all customers, presumably this would have been caught - perhaps it was more delayed though (resource leak, etc) and obviously that is somewhat more difficult to catch.

Arguably, the executive summary is the most important part of a proposal. However, most people are confused about its purpose. Some confuse it as the part that contains the summary of the whole proposal, but contrary to that belief, an executive summary is not about summarizing at all; it is all about selling your proposal. Since it is the the first glimpse your reader will have of your entire ...
