Beretta Web - Beretta Owner Manuals

I'm considering the Beretta Urika 2 but I've read lots of complaints by folks about how much of a hassle it is to clean. I downloaded an instruction manual and saw a spanner wrench is needed to remove a nut or two. Just how tough is this shotgun to clean? Any info you can provide will be greatly appreciated.

Shotgunworld.com • Beretta Urika 2: How tough is it to clean?

There are some minor cosmetic differences between the Urika and Urika 2. The only mechanical difference is in the design of the gas piston. Beretta claims that the new design reduces cleaning requirements, but most experienced Beretta users doubt that there is much, if any, real difference.

I had Beretta 391 Urika 2 about 1 1/2 years and found two problems (for me) for the reason to sell it. The big one was the long john chokes did not stay tight no mater what I did. Had to keep en eye on them.The other thing was the fit of the comb. It was too thick at the comb. I could not get the cast off needed to line up the barrel with the eye.

Beretta 391 Urika 1 or 2? | Shotgun Report®

Beretta AL391 Urika - Manual (EN) This is what Beretta uses. Depending on what kind of recoil pad you have, there might be a quick-release device or two Phillips-head wood screws. Shooting without the choke berehta is danger- ous and can damage the barrel's internal screw thread irreparably.

BERETTA AL391 URIKA MANUAL PDF - Metin 2

Beretta promises a lot with its updating of the AL390 model line to the AL391 numbering sequence and Urika name. However, in our view, some of the changes arent that noticeable, and some minor ones are a step backward. [PDFCAP(1)]. The Urika series is offered in 19 field configurations, 10 sporting variations, four trap models, and four sport ...

Berettas New AL391 Urika: A New Standard For Shotguns ...

The Beretta AL391 is a semi-automatic shotgun.It is manufactured, marketed, and distributed by Fabbrica d'Armi Pietro Beretta, in Gardone Val Trompia, Italy.. The AL391 is most often used for hunting birds, and for clay target games such as trap and skeet.There are several different models, each with multiple variations.
