A marketing orientation has been defined as a "philosophy of business management." or "a corporate state of mind" or as an "organisation[al] culture" Although scholars continue to debate the precise nature of specific concepts that inform marketing practice, the most commonly cited orientations are as follows: Product concept: mainly concerned with the quality of its product.

## **Marketing - Wikipedia**

The study of the history of marketing, as a discipline, is meaningful because it helps to define the baselines upon which change can be recognised and understand how the discipline evolves in response to those changes. The practice of marketing has been known for millennia, but the term "marketing" used to describe commercial activities buying and selling a products or services came into ...
