Materialising Roman  
Histories. Book

Description: The

Roman period  
witnessed massive  
changes in the human-

material environment,  
from monumentalised  
cityscapes to

standardised low-value  
artefacts like pottery.

This book explores new  
perspectives to  
understand this Roman  
'object boom' and its

This book explores new perspectives to understand this Roman 'object boom' and its impact on Roman history. In particular, the book's international contributors question the traditional dominance of 'representation' in Roman archaeology, whereby objects have come to stand for social phenomena such as status, facets of
