The first thing most people will notice is the gargantuan 18.5-inch inflight entertainment (IFE) screen and the large sliding door that encloses you for maximum privacy. Since I was fresh off of a trip on a 767-400, the first thing I noticed was the storage. Oh, the storage! (Photo by Darren Murph/TPG)

Review: Delta One Suites on the Brand-New Airbus A330-900neo

As an example, I believe we consider periods of time as far, far longer than is appropriate while at the same time have absolutely no honest image in our heads about how incredibly tiny we are and how gargantuan space is. It's a matter of scale, warped, I believe, by our own failures in perception.
