### Medieval And Renaissance Stained Glass

Stained glass, as an art and a craft, requires the artistic skill to conceive an appropriate and workable design, and the engineering skills to assemble the piece.A window must fit snugly into the space for which it is made, must resist wind and rain, and also, especially in the larger windows, must support its own weight.

### Stained glass - Wikipedia

Renaissance stained glass is very different from that of the previous period. The themes are still principally biblical. Because subjects in renaissance stained glass are shown dressed in period clothing, a knowledge of the history of costume helps date windows. Allegorical themes are even more elaborate than medieval iconography.

### History of Stained Glass - The Stained Glass Association ...

Medieval History. The stained glass windows that are familiar today did not come about until the 10 th century, with the construction of Gothic cathedrals. The oldest complete stained glass windows were those of Augsburg Cathedral in Germany, constructed in the late 11 th century. The Medieval church funded most of the stained glass windows of ...
