A teacher moving out of isolation had to purge any territorial feelings about content, grieve the loss of certain aspects of their curriculum, and realize that skills—not content—would drive curriculum moving forward. Teachers passionately discussed the vital essential skills that would garner higher

Moving From Teacher Isolation To Collaboration Enhancing ...

The teacher said adherence to social distancing at school had been poor.

“There’s supposed to be two metres between teachers and pupils [but] pupils come up to us all the time, approach us all the time – because they’re kids,” the teacher said. “The most I’ve had in a

The adjective evokes images of isolation for a teacher. For the learner, if the teacher/student match is positive it isn't so bad. On the other hand, we've all had that teacher in our lives, the one with whom we've spent a year feeling like we've been sentenced to jail, stifled by the lack of creative expression or extreme power differential that makes
