BOOK REVIEW

Customary law is a recognized source of law within jurisdictions of the civil law tradition, where it may be subordinate to both statutes and regulations. In addressing custom as a source of law within the civil law tradition, John Henry Merryman notes that, though the attention it is given in scholarly works is great, its importance is "slight and decreasing". [12]

Customary law - Wikipedia

customary law, would like to posit some hypotheses about what a living customary law of commercial contracting in South Africa might look like. Of course, a reader may protest that a concept of a living customary law of any kind should only be put forward after extensive empirical
