Marriage is a unique site for examining sexual negotiations because it is a historically patriarchal, gendered institution, premised on men's "privilege and entitlement to women's labor, sexuality, and emotions" that is increasingly contested (Lorber, 2005, p. 159).

The Performance of Desire: Gender and Sexual Negotiation ...

GENDER AND NEGOTIATION PERFORMANCE. By Charles B. Craver * Generally, men are described by a series of traits that reflect competence, rationality, and assertiveness. Men, for example, are viewed as independent, objective, active, competitive, adventurous, self-confident, and ambitious. Women are seen as possessing the opposite of each of these traits.

Gender and Negotiation Performance

Un/doing Chrononormativity: Negotiating Ageing, Gender and ...

Abstract When males and females negotiate with persons of the opposite sex—and people of the same sex—gender-based stereotypes may influence their interactions. Men and women often assume that males are more likely to be competitive, win-lose negotiators who want to maximize their own return.

Gender and Negotiation Performance | SpringerLink

A common thread that runs through each perspective is the gender stereotype, which presumes masculine skills are more valuable at the bargaining table than feminine skills. We then consider the empirical support for this basic assumption as approached by each theoretical perspective.

GENDER STEREOTYPES AND NEGOTIATION PERFORMANCE: AN ...

Asia is the largest sender and receiver of all migrants in the world today (United Nations 2017). The movement across physical borders inevitably entails the navigation of new relationships and a (re)negotiation of one's identities, including gender and sexual ones. While migration scholars have explored the intersection of mobility with gender and sexuality (such as...
