The Complete Guide to Newborn Photography - Newborn Posing

Basic posing for maternity. Basic posing for maternity sessions is centered around the baby bump and the mama-to-be, specifically. You can use very basic posing to build from and add more variety to the poses. However, these basic poses are perfect for any session and can work well in any situation or location.

Your Posing Guide for Maternity Sessions

Underneath my posing blanket, are 4 Ikea fleece blankets doubled over to create a nice, smooth, thick layer between the posing bag and the baby. This is to also hide the supports I use to keep the baby in position when posing. I hope this helps with your aim to create your own perfect bean bag set up.

Natural Newborn Baby Photography: A Guide to Posing ...

Please bring a pacifier. If we can use one for the session it helps a great deal with posing. If breastfeeding, please avoid spicy foods prior to your session as these foods can bother baby's tummy and keep them awake and fussy. If you are comfortable pumping or supplementing, it is a great idea to have bottles on hand during your session.

NEWBORN SESSION PREP GUIDE | newborn-photography

Since mom can't be the soother, a pacifier does the trick to help them settle while I'm working through the posing. What to Wear Located in the Wilmington, NC area, Emmy Jo Photography is a portrait photographer specializing in newborn, maternity, child, and family photography.
