marketing decisions they need to make Marketing your business is about how you position it to satisfy your market's needs. There are four critical elements in marketing your products and business. They are the four P's of marketing. 1. Product. The right product to satisfy the needs of your target customer. 2. Price.

Marketing's Four P's: First Steps for New Entrepreneurs EC-730

The Agricultural Marketing Service (AMS) developed the List of Bioengineered Foods to identify the crops or foods that are available in a bioengineered form throughout the world and for which regulated entities must maintain records. These records will inform regulated entities about whether they must make a bioengineered food disclosure.
