## **Nobilities In Transition 1550 1700**

Nobilities in Transition explores the transformation of the nobility in the late 16th and 17th centuries. This book looks at political and social changes, examines the impact princely courts had on noblemen and women and their way of life and analyses issues such as the 'refeudalization' of state and society in southern Europe or the increasing urbanization of noble elites in the period under ...

Christianity - Christianity - Second transition, to ad 1500: Rome's urban and literate world quickly disappeared under the barbarians' westward onslaught. These conquerors established themselves as the new ruling elite. However, they recognized in missionary monks the bearers of a new faith and preservers of a higher civilization. The mission thrust of these monks contrasted sharply with ...
