Episode 3: Hobbes's Leviathan: The Social Contract

Hobbes notes that we do not make these agreements explicitly because we are born into a civil society with laws and conventions (i.e. contracts) already in place. It is by performing the thought experiment regarding the state of nature and following the chain of reasoning Hobbes put before us that we can see the foundations of our commitment to civil law.

Great Philosophers: Thomas Hobbes: social contract

Hobbes showed that the social contract in the context of elaborating his "laws of nature," which are the steps we must take to leave the state of nature. In calling these rules "laws of nature," Hobbes expressively changes the traditional concept of natural law, in which nature offers moral guidance for human behaviour.

Western Political Thought: Hobbes - CiviltServiceIndia

Hobbes argues later that only the people of Israel entered into a covenant with God, and they did it through Moses, God's first Lieutenant. Hobbes maintains that God's power, including his voice, is infinite and cannot be understood by earthly ears, even if God's voice could somehow be heard on Earth.
