Two-Spirit (also two spirit or twospirit) is a modern umbrella term used by some indigenous North Americans to describe gender-variant individuals in their communities. [1] The term was adopted in 1990 at an Indigenous lesbian and gay international gathering to encourage the replacement of the anthropological term berdache. [2] It is a spiritual role that is recognized and

The greatest minds of the 21st century may be quite different from great geniuses from the distant past, but each person should be judged within the context of the time that they were living. For example, inventing a new type of telephone in 2013 would not qualify one as "the most brilliant mind of all time," but in 1876 when Alexander Graham ...
