Oreck Commercial ORB550MC Orbiter Floor Machine

An upright vacuum (the kind that you push from behind, back and forth across the floor) might seem about as basic as you can get when you consider the vast array of vacuums on the market at the moment, but there's more to this variety of cleaner than you may think.. Although they're heavier and heartier than, say, go-anywhere canister vacuums, upright vacuums are particularly well-suited ...
