The main feature of the design is an elegant ornamentalism that mixes with opulence and luxury. There are a few water streams that go up in the air and fall into the pool to support the aesthetic part. You'd think the pool is not used for bathing. Even though you can't swim in it, you can still relax on the steps and splash around.

Orientalism is a 1978 book by Edward W. Said, in which the author establishes the eponymous term "Orientalism" as a critical concept to describe the West's commonly contemptuous depiction and portrayal of "The East," i.e. the Orient. Societies and peoples of the Orient are those who inhabit the places of Asia, North Africa, and the Middle East. Said argues that Orientalism, in the sense of the ...
