Once you've mixed, sift if needed and get painting with an angled brush. Chalk Paint Recipe Two. This simple recipe only involves latex paint, plaster of paris, and water. It's the simplest DIY chalk paint and is a good recipe to use if you're on the fence about making your own paint.

### **Homemade Chalk Paint | DoItYourself.com**

Painting a nature is far more easier than drawing an animal and that is because of the liveliness you will have to create. When you are portraying a living animal in your painting, you will have to make it live with the touch of your brushes. So you can get how tough it is to come up with such a thing.
