Pandora is my first solo project. It is a challenge I set to myself up to know if I could put up a game. So far, things are going well. Pandora follows the lines that identify Tlaero's games and Dreaming with Elsa. It focuses on sexual build-up teamed with characterization and an independent storyline.

As a side note, on PlayForce One, Pandora lost a few ratings and isn't in the top 10 anymore, but I'm comfortable with the fact that it is an unfinished game. I'm working with Tlaero towards releasing the full Pandora (part I and part II) as soon as I finish the second part. No need to have both parts separated.

Personally, I find some of the adult games I've played to feel more realistic in some ways than non-adult games. Kinda like the difference between watching a rated-G movie vs a rated-R movie. Whether people like it or not, sex is a part of society, and I find the games that include sex aren't sugar-coating their world, thus they feel more 'real'.
