Philosophy. Essential reading and resources for students and teachers of philosophy, a challenging study that tackles fundamental questions around existence, morality, knowledge, reason, and reality.

Philosophy - ThoughtCo

An action is an event that an agent performs for a purpose, that is guided by the person's intention. The first question in the philosophy of action is to determine how actions differ from other forms of behavior, like involuntary reflexes. According to Ludwig Wittgenstein, it involves discovering "[w]hat is left over if I subtract the fact that my arm goes up from the fact that I raise my arm".

Action (philosophy) - Wikipedia

The basic role of "philosophy" is to ask questions, and think about the nature of human thought and the universe. Thus, a discussion of the philosophy of happiness in life can be seen as an examination of the very nature of happiness and what it means for the universe. Philosophers have been inquiring about happiness since ancient times.

The Philosophy of Happiness in Life (+ Aristotle's View)

Much of his philosophical work was in the philosophy of religion, but from a modern philosophical point of view it is his hermeneutics (i.e., theory of interpretation) and his theory of translation that deserve the most attention. ... holism). In particular, any given piece of text needs to be interpreted in light of the whole text to which it ...
