Qualitative Article Analysis

Strategies of inquiry are types of qualitative, quantitative, and mixed methods designs or models that provide specific direction for procedures in a research design. Others have called them approaches to inquiry (Creswell, 2007) or research methodologies (Mertens, 1998).

The Selection of a Research Design

The research design process in qualitative research begins with philosophical assumptions that the inquirers make in deciding to undertake a qualitative study. In addition, researchers bring their own worldviews, paradigms, or sets of beliefs to the research project, and these inform the conduct and writing of the qualitative study.
