Lawmakers in at least 27 states are attempting to pass legislation that would require teachers to lie to students about the role of racism, sexism, heterosexism, and oppression throughout U.S. history. In response, educators across the United States are signing a pledge to teach truth. To raise public awareness about the danger of these bills, we invite educators to make that pledge public in ...

Ishan Khurana & John Narayan A number of commentators have recently suggested neo-liberalism is dead, or is in a process of retreat. During the disruption of global commodity chains caused by the Covid 19-pandemic, free-market policies that have dominated the global economy for the past 40 years appear to have less purchase. Here, authors point [...]

Pro-Soviet accounts. Soviet historiography on the Cold War era was overwhelmingly dictated by the Soviet state, and blamed the West for the Cold War. In Britain, the historian E. H. Carr wrote a 14-volume history of the Soviet Union, which was focused on the 1920s and published 1950–1978. His friend R. W. Davies said Carr belonged to the anti-Cold War school of history, which regarded the ...
