If you happen to burn through, all is not lost. Just continue to make short welds to repair the hole. I discuss this technique more in-depth in a “mower deck welding repair” article I wrote. Check it out for more information. Another issue we needed to take care of was the two pieces that had broken off and were missing.

Ever since Jocie and I purchased our home in 2006 the concrete stoop has had this long, ugly crack, and this past summer some yellow-jackets tried to take up residence within the crack. That was enough for me to bump the concrete repair to the front of my to-do list. If you look around online, the typical repair involves filling the crack with a flexible patching compound followed by a sealant.

In 2014, my vocabulary expanded along with my age. Creams, ultra-moisturizing lotion, facial masks, serums, and collagen (not the injection stuff, this one is natural and added to water when I don't have a cup of homemade bone broth available) became part of my regular vocabulary. Defeating the aging process certainly isn't my goal.
