Residential care is a safe and secure option for older people who are no longer able to live alone, or who are lonely. Residential care ensures all of the individuals living needs are taken care of and the home will provide a room and full board. This will remove the responsibility and worry about doing house work or making own meals.

Whether you're receiving care at home or in an aged care home, the Aged Care Quality Standards define what good care should look like. All government-funded aged care providers are required to comply with eight Aged Care Quality Standards. The standards reflect the level of care and services the community expects from aged care providers.
