Robland Z400M Sliding Table Panel Saw - Grovewood

The Robland X31 is a little trickier to set up than setting up equivalent stand alone machines, made even trickier by the lack of a real "manual". Several members of the Yahoo Robland X31 group helped put together a set of draft set up instructions and I put that information into GIF image files on the following web pages.

Robland X31 Draft Set Up Instructions Table of Content
