Camera Lucida (French: La chambre claire) is a short book published in 1980 by the French literary theorist and philosopher Roland Barthes. It is simultaneously an inquiry into the nature and essence of photography and a eulogy to Barthes' late mother. The book investigates the effects of photography on the spectator (as distinct from the photographer, and also from the object photographed ...

### Camera Lucida (book) - Wikipedia

Roland Barthes was one of the earliest structuralist or poststructuralist theorists of culture. His work pioneered ideas of structure and signification which have come to underpin cultural studies and critical theory today. He was also an early instance of marginal criticism. Barthes was always an outsider, and articulated a view of the critic ...

Roland Barthes's famous essay "The Death of the Author" (1967) is a meditation on the rules of author and reader in the formation of meaning as mediated by the text. Roland Barthes 's essential argument is that the author has no sovereignty over his own words (or images, sounds, etc.) that belong to the reader who interprets them.
