## **Sacred Knowledge Psychedelics And Religious**

Sacred Knowledge is the first well-documented, sophisticated account of the effect of psychedelics on biological processes, human consciousness, and revelatory religious experiences. Based on nearly three decades of legal research with volunteers, William A. Richards argues that, if used responsibly and legally, psychedelics have the potential to assuage suffering and constructively affect the quality of human life.

## **Sacred Knowledge: Psychedelics and Religious Experiences ...**

Sacred Knowledge: Psychedelics and Religious Experiences. In the early 1960s, scientists openly advocated for experimentation with psychedelics. This effort, however, quickly turned into a discredited enterprise involving recreational drug use.

## **Amazon.com: Sacred Knowledge: Psychedelics and Religious ...**

Sacred Knowledge is thus an absorbing account of the religious and mystical implications of psychedelic substances based on a career of research. Richards takes a perennialist (as opposed to constructivist) approach to the mystical state of consciousness.

## **Sacred Knowledge: Psychedelics and Religious Experience by ...**

One reason the study of mystical forms of consciousness is of importance is that the experiences entail more than emotion—however exalted and elevated the feelings may be. Such experiences, both in the mystical literature of each world religion and in modern psychedelic research, are also claimed to include knowledge.

By Sam Douglas. Psychedelic Medicine: Will it lead to reform in Australia . It seems every day there's another news story about researchers being given permission to investigate the therapeutic potential of psychedelics. Venture capitalists and investors are increasingly aware of the financial potential too as they seek to maximise returns through first mover advantage.
