Shadowrun RPG - Catalyst Game Labs

Shadowrun | Catalyst Game Labs. Shadowrun. Shadowrun is a roleplaying game, not unlike improvisational theater. A gamemaster runs the game, while a group of players pretend they are characters set in the dystopian near-future of 2080. These character are created by the players, given a history and personality, and then further defined by a set of statistics that represent the character's skills and attributes-as developed in the character creation process.
