The quality of the MamaRoo Bassinet and overall features were very important to us which included the firmness and simplicity of the mattress, the ability to see through the mesh to see the baby, and the ability to adjust the height of the bassinet. Also, this bassinet doesn't take up a huge amount of space which was a huge plus for us!

Assembly was the same as most cribs, taking about 15-20 minutes. The set included an Allen wrench, but we used our powered screwdriver to make things more efficient. All of the bolts and nuts went together easily and without any issues, and the instruction manual was easy enough to follow (the manual was attached to the metal crib support frame).
