Education in Ethiopia was dominated by the Ethiopian Orthodox Church for many centuries until secular education was adopted in the early 1900s. Prior to 1974, Ethiopia had an estimated illiteracy rate well above 90% and compared poorly with the rest of Africa in the provision of schools and universities. After the Ethiopian Revolution, emphasis was placed on increasing literacy

Education in Mexico has a long history. The Royal and Pontifical University of Mexico was founded by royal decree in 1551, a few months after the National University of San Marcos in Lima. By comparison, Harvard College, the oldest in the United States, was founded in 1636 and the oldest Canadian University, Université Laval dates from 1663. Education in Mexico was, until the twentieth ...
