the southeast, the Pacific Ocean to the west, Oregon to the north, and the Mexican state of Baja California to the south. With over 39.5 million residents across a total area of approximately 163,696 square miles (423,970 km²), it is the most populous and the third-largest U.S. state by area.

California - Wikipedia

When the number of players is small, it represents a version of what has been called the “volunteer dilemma”. A group needs a few volunteers, but each member is better off if others volunteer. (Notice, however, that in a true volunteer dilemma, where only one volunteer is needed, (n, n) is zero and the top right outcome is impossible.
