Every class in TERA has its own unique set of skills, and to be proficient at playing any class, you need to know your skills inside-out. Reapers have relatively few skills compared to most other classes, but despite this lesser number, you have a lot of options when it comes to chaining them together.

Skills - Reaper PvE Guide - reaper-guide

The reaper is a leather-wearing class that uses chain blades to dispatch their foes.

Reapers begin at level 50, but you may only create a reaper if you have another class that is already level 40 on your server. Once you do, you'll begin in their starting zone in the midst of the destruction of Pora Elinu.

A lot of Reaper guides out there always state the following rotation as a Reaper's main rotation: Spiral → Shear → Grim → Sunder → Spiral → Pend → Whip → Shear → Grim → Cable → Shadow Burst → ... etc. WRONG. If you play Reaper based off of this rotation, you are not maximizing your DPS. So what should your rotation be?
