Third, enhanced hope, self-esteem, or both assisted the alcoholic in maintaining abstinence. Both evangelical religious involvement and AA participation served as sources of hope and self-esteem. Such intense involvement may have provided group forgiveness and relieved the feelings of shame over past relapses and over the negative impact on ...

The Natural History of Alcoholism

Alcoholics Anonymous (AA) is an international fellowship requiring no membership dues or fees, dedicated to helping alcoholics peer to peer in sobriety through its spiritually inclined Twelve Steps program. Structurally guided by its Twelve Traditions, AA is set up as non-professional, non-denominational, as well as self-supporting and apolitical, with an avowed desire to stop drinking being ...

Alcoholics Anonymous - Wikipedia

Prohibition in the United States was a nationwide constitutional ban on the production, importation, transportation, and sale of alcoholic beverages from 1920 to 1933.. Prohibitionists first attempted to end the trade in alcoholic drinks during the 19th century. Led by pietistic Protestants, they aimed to heal what they saw as an ill society beset by alcohol-related problems such as alcoholism ...

Prohibition in the United States - Wikipedia

One of the pioneering contributors to sociological perspectives on self-development was Charles Cooley (1864–1929). As we saw in the last chapter, he asserted that people's self understanding is constructed, in part, by their perception of how others view them—a process termed “the looking glass self ” (Cooley 1902).
