free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

The Glass Beads Of Anglo

Anglo-Saxon glass has been found across England during archaeological excavations of both settlement and cemetery sites. Glass in the Anglo-Saxon period was used in the manufacture of a range of objects including vessels, beads, windows, and was even used in jewelry.

History of glass - Wikipedia

Glass is a non-crystalline, often transparent amorphous solid, that has widespread practical, technological, and decorative use in, for example, window panes, tableware, and optics. Glass is

The Vikings were good at making boats . Their dragonships and long boats had colourful, striking designs with intricate dragon heads mounted on the bow. This one wouldn't fare so well at sea, but its easy to make with a bit of corrugated card and some felt tips. It comes complete with seats and oars so your little Vikings can paddle their way to battle.

The Name Originally the name Anglo-Saxon denotes two of the three Germanic tribes,--Jutes, Angles, and Saxons,--who in the middle of the fifth century left their homes on the shores of the North Sea and the Baltic to conquer and colonize distant Britain. Angeln was the home of one tribe, and the name still clings to the spot whence some of our forefathers sailed on their momentous voyage.
