Capitalization of Academic Degrees. Perhaps you've wondered if and when academic degrees (bachelor's, master's, etc.) should be capitalized. If you read through our Capitalization rules, you will notice that capitalization is sometimes a thorny area. We do not always have hard-and-fast rules to rely on; some areas are open to interpretation.

Preposition On. On is also a very important preposition of place in English. The main use of the On is when we want to express that someone or something is on the surface of some object or space.. Moreover, the surface on which the object is located does not have to be horizontal like a table. This surface can be vertical like a wall. We can use the preposition on even if we want to say about ...
