Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

The Happy Horse Quotes by Tania Kindersley

Amateurs engage in pursuits that have a professional counterpart, such as playing an instrument or astronomy. Hobbyists engage in five broad types of activity: collecting , making and tinkering (like embroidery and car restoration), activity participation (like fishing and singing), sports and games , and liberal-arts hobbies (like languages, cuisine, literature).
