Although this program is free, you'll need to be an Amazon Prime member to take advantage of it. If you're not a member you can sign up for a free trial of Amazon Prime or wait until they offer free subscriptions, which they do from time to time for special groups of people like moms or students.

### The Sociology Of Tourism European

Sociology of leisure is the study of how humans organize their free time. Leisure includes a broad array of activities, such as sport, tourism, and the playing of games. The sociology of leisure is closely tied to the sociology of work, as each explores a different side of the work-leisure relationship.

Analysis of social networks is suggested as a tool for linking micro and macro levels of sociological theory. The procedure is illustrated by elaboration of the macro implications of one aspect of small-scale interaction: the strength of dyadic ties. It is argued that the degree of overlap of two individuals' friendship networks varies directly with the strength of their tie to one another ...

**The Strength of Weak Ties | American Journal of Sociology ...**

Sociology focuses on the relationships between individuals and society. It revolves around examining how personal attitudes and experiences relate to wider issues, understanding how group phenomena can give collective meaning to an individual's actions, and on social change and the ways forces, like globalisation, impact upon society.
