### **Ultimate Weird Tales Collection Volume I | Various Authors ...**

This mammoth collection seems to contain just about every short story Clark Ashton Smith ever wrote. The tales are science fiction, horror, and the "weird" tale. Most of what is collected here is not plausible fiction by any means, lost kings of Atlantis, time travel epics, werewolf tales, successful alchemists, even the odd, "spicy" romance tale.

133 Weird Tales-era works of horror, science fiction and fantasy have been gathered here into one volume, all written by Clark Ashton Smith, who was the third member of the literary circle that included authors Robert E. Howard and H.P. Lovecraft. Excluding only fragmentary notes, excerpts and...

### **The Ultimate Weird Tales Collection - 133 stories - Clark ...**

Very nice collection of weird tales. An excellent collection, but for audio-books everything hangs on the narrator. Fortunately the narrator is outstanding. I've actually been a fan of Ian's work for years now. With a collection like this with many famous authors, I get to enjoy stories I'm already familiar with as well as hear some new material.

### **HorrorBabble's Ultimate Weird Tales Collection, Volume 1 ...**

The collection contains 40 "Weird Tales" from yesteryear. One thing I like about this collection vs. previous collections is

## Online Library The Ultimate Weird Tales Collection 133

Stories Clark Ashton Smith  
Triboulet Classics  
that the stories are titled in Audible. But I found out this isn't the publisher's fault - it was not until recent that Audible allowed publishers to title the chapters, and as of yet older titles have not been updated (waiting on Audible for that, not the publisher).

5.0 out of 5 stars Ultimate Weird Tales Collection Clark Ashton Smith. Reviewed in the United States on February 17, 2013. Verified Purchase. This is a Great Deal! Fun reading. Sometimes I think Clark Ashton Smith must have been brain damaged or seriously disturbed but that is what makes his stories so enjoyable.

This is a terrific collection of weird tales,  
most of which were originally published  
in the pulp magazines that were  
produced from the late 1800's until the  
1950's. These stories cover that range  
with most of them from the 1920's and  
1930's, so the stories while creepy are  
more Twilight Zone than slasher flick.

"The Night Wire" is a short story written by H. F. Arnold. It was first published in Weird Tales in 1926, and went on to be one of most famous stories published by the magazine. The story tells of two night wire operators, one of whom receives a disturbing report of a mysterious fog enveloping a small, unfamiliar town by the name of Xebico.
