situations: Objectively, to provide as much information without feeling or judgment so that virtually every reader can agree with all the elements of your description. For instance, a police officer might use an objective description to relate the events occurring in a traffic accident, when the officer is describing the event for a court of insurance company to figure out who was to blame.

Rhetorical Patterns - Description | Lincoln University

Both of these examples use the key techniques of rhetorical analysis: breaking down what makes the text—an image, a phrase, a poem, a speech, a meme, a joke, etc.—move people. Both pieces look for patterns in the material and connect those patterns with broader historical, cultural, social, or local moments.
