5 Keys to Building a Learning Organization

INTRODUCTION. Organizational change is included in capacity-building frameworks for health promotion (NSW Health, 2001) but is insufficiently explored as an element in its own right of quality planning frameworks. Here, we argue that organizational change should be applied more purposefully to both types of frameworks, quality and capacity building, if health promotion is to be strengthened.

Organizational change—key to capacity building and ...

To implement an effective training program, members of management must also develop a comprehensive intervention program to ensure that all training objectives are met.
