book two in the Gravity series, has grown increasingly occultic. Extreme behavior (I won't give away details for the sake of suspense) is reserved for the criminal element within the story and gives the book a strong sense of danger; nevertheless, some scenes went beyond my comfort zone.

Uncertainty (Gravity series, 2), an Ebook by Abigail Boyd

Ariel Donovan's life was torn apart. Now, after months of getting back to normal and thinking she put her paranormal sight behind her, she's called back to the mysterious Dexter Orphanage. That visit changes her life. With the return of an unexpected person, her world is turned upside down again.
