participate in union activities; institutional change, such as a reduction in bargaining coverage or weakening of links to political parties; and, lastly, diminished power resources, for example, because of high unemployment. Union revitalization is then defined as a variety of attempts to tackle and potentially to reverse these problems.

Union Revitalization Strategies in Comparative Perspective

Action or no action. For unions, the most common choice would be joining the union — but it could be to sign the union card, become a delegate or shop steward, go on strike or take some form of industrial action or any number of other things. If you've positioned your union well, the choice will be clear.

experienced by US unions since the early 1980s (Robinson 1993). Moreover, social unionism is itself seen as an important part of union renewal and an indicator of union innovation (Kumar and Murray 2006, 2002a, 2002b). For many, the emulation and diffusion of social unionism is the prescription for what ails the contemporary labour movement.

VARIETIES OF SOCIAL UNIONISM - Just Labour

To get their demands, the unions rely on various strategies during the course of bargaining, including striking, parading, boycott and collective bargaining.

Tactics Used by Labor Unions: Striking & Collective ...

We have entered a challenging and difficult time for collective bargaining for both employers and unions. Shortly following the great recession in 2008, both management and unions reached deals relatively quickly, everyone recognizing the dramatic economic issues the parties faced at the time. From 2008 well into 2012, there was little change. Employers tried to deal with the reality of the ...
