Vintage Panhead Engine For Sale

What is the difference between antique, vintage, and historic? Most things designated as "antiques" are at least 100 years old, but antique motorcycles, due to the age of the technology itself, only have to be 35 years or older to have that title. Vintage is a term that is applied loosely and implies a style that is at least 20 years old ...

Vintage Harley Shovelhead Engine Parts & Accessories ...

They affect the performance of your bike as well as the amount of noise you want to make. Many serious riders differentiate Harleys by the type of engine they use. Vintage engines include knucklehead engines, panhead engines, and flathead engines. Engines have changed over time, although some vintage engines can still be utilized in Harleys today.
