Preterminal: Aptitude and assessment preparation with free practice tests to skyrocket your career and land your dream job!

Preterminal - Aptitude & Assessment Tests for Career

This means for every hour you study for the ACT, it needs to be the most effective hour possible. In concrete terms, you need to find your greatest

areas of improvement and work on those. Too many students study the 'dumb' way. They just buy a book and read it cover to cover. When they don't improve, they're shocked. I'm not.

How to Improve Low ACT Math Scores: 9 Tips From a Perfect ...

The first tip is to take an EPA 608 practice test and try to score 100% on it. Take the same test several times until you get every question correct. Then move onto another test. In most cases, the test distributor will have a pool of nearly 400 questions that it uses to pull test questions from so you'll want to prepare for the entire section.
