HubSpot | Inbound Marketing, Sales, and Service Software

When I started out with my first company, Zip2, I thought patents were a good thing and worked hard to obtain them. And maybe they were good long ago, but too often these days they serve merely to stifle progress, entrench the positions of giant corporations and enrich those in the legal profession, rather than the actual inventors.

All Our Patent Are Belong To You | Tesla

We added more time options for parents to quickly respond to requests for screen time (i.e. you can now easily add 15 minutes, 30 minutes, 1 hour, 2 hours, or 3 hours of more of screen time). We added location clustering to see when multiple family members are at the same location (i.e. when multiple people are in one place you can see that ...
