An election is a formal group decision-making process by which a population chooses an individual or multiple individuals to hold public office.. Elections have been the usual mechanism by which modern representative democracy has operated since the 17th century. Elections may fill offices in the legislature, sometimes in the executive and judiciary, and for regional and local government.

The so-called "father of public relations," Edward Bernays, called this time period of 1850-1905 "the public be damned era" (Cutlip et al., 2006). Press agents were concerned with generating publicity at almost any cost, and this approach engendered the unethical reputation of modern-day public relations.

That was a fair point. We hadn't stopped walking, and were within a dozen metres of the edge of the room when our conversation was interrupted. "Careful." I stopped dead, hands tightening over my Icarus and eyes scanning everything, ceiling included. "What is it?" I asked. Myalis rarely warned me about stuff.
